PREVIEW FOR OBITUARY NUMBER WTR0221540**Earl Brine Foster**

OKLAHOMA CITY - Earl Brine Foster, 82, made his transition to heaven on June 5, 2023. His final days were spent surrounded by loving family and friends. He was born February 22, 1941, in Pontiac, Michigan to Charles and Bonnie (Dixon) Foster. He graduated from Greens Fork (Indiana) High School before

joining the United States Air Force. After serving his country, he became a police officer with the Albuquerque Police Department. He then continued his education at C.S. Mott Community College in Flint, Michigan, where he graduated with a degree in nursing and subsequently served a long and distinguished career. He enjoyed his farm, his cats, watching sports, and tinkering with gadgets and things that would interest him. But nursing was his true passion and right up to the end he enjoyed discussing and teaching his passion to many of the staff caring for him. Earl married Janice Saunders on November 15, 1962, in Columbus, Mississippi. Together they had three children, six grandchildren and seven great grandchildren. He is preceded in death by his wife of almost 52 years, his parents, sister Sylvia (Foster) Holland, and brothers Dennis Foster and Jerry Foster. He is survived by son Earl Foster and wife Cynthia of Oklahoma City, daughter Laurie Foster of Oklahoma City and daughter Erica (Foster) Moody of Oklahoma City. Grandchildren include Shanley (Foster) Gray and husband Brad, Braden Foster and wife Brittne Saturia, Casey Foster, Cody Riddles, Seth Moody, and Joshua Moody. And great grandchildren are Aaliyah Hampton, Bianca Gray, Xosha Foster, Myles Foster, Ashlynn Riddles, Colten Riddles, and Naomi Moody. There will be a visitation from 1 - 2 P.M. on Monday, June 12, 2023 at Jerry Woods Chapel followed by a graveside service at 2 P.M. at Nocona Cemetery. Arrangements are with Jerry Woods Funeral Home of Nocona, Texas. If well-wishers prefer a donation in lieu of flowers, the family asks for it to go to a local Humane Society or another organization working to improve the lives of animals.
